Special Assistant
The White House
Washington, D. C.

Dear Jim:

Many thanks for your kind letter of 26 September. I really enjoyed my trip to San Francisco and it is consoling to have your views that it was worthwhile. I had a useful trip to Seattle and Minneapolis, but had to shorten my absence a bit in view of developments here. I envy you the Bohemian Grove trip. I have accepted invitations to go there several times but never have been able to make it.

We are working on the [redacted] matter, and I have made a note to get hold of Dick Reuter when he is available.

STAT

Sincerely yours,
